

What We Do/Who We Help

VoIP Doctors provides B2B Voice over (High-Speed) Internet Telecommunications Services and Consulting to organizations throughout the world.

We address the unique telecom needs of:

- Professional Services: Accounting, Legal, Real Estate, Insurance, and Healthcare
- Industrial, Commercial, Manufacturing, Services & Utilities, and Call Centers/Contact Centers
- Transportation, Freight, and Logistics firms with Global Communications Needs
- Non-Profits, Educational Institutions, Municipal & Government Entities
- Telecommunications and IT Firms

Our clients are typically Organizations with 25 - 2,000+ employees working in on-site, remote, or hybrid environments where flexibility and continuity are key. Typically, we collaborate with decision makers and stakeholders such as CEOs, COOs, CFOs, and Chief Technology Officers.

Our Referral Partners are those who value integrity, transparency, and consistency. They hold trusted advisor roles with their clients and are driven to connect them with the right resources. Our closest partners include:

- IT Managed Service Providers (we do NOT compete with MSPs; we work hand-in-hand)
- Wiring, Electrical, Technical, and Security Contractors
- Commercial Real Estate Brokers, Construction Owners/Managers, Architects, and Insurance Brokers
- Professional Services providers including CPAs, Attorneys, Insurance, Marketing, Operations/Efficiency Consultants, and HR/Payroll Professionals

VoIP Doctors is a privately held company in New Jersey with over 20 years of experience in IT and Telecom that we put to work for our clients, every day. Visit our website at www.voipdoctors.com to learn more!
